Ems, June 14th

Dear friend!

Many thanks

For your most welcome letter.

I was much interested in
hearing about the Misses
Eyre and seeing their programme.
I hope to be able to hear them
in September, and we must
leave everything concerning
their Berlin plans until then.

How nice that you will be in
Hovingham. The concerts
there being with a band.

I am afraid there will be
no opportunity for a
Duet but of course I
should be delighted to play
(say a Brahms Sonata) with
you. I have chosen the
Concerto in A by Mozart.

My bronchitis is very obstinate, after ten days in Ems not much change. I stay

another 12 days.

I am not able to write more; only many kind greetings to you, and “auf wiedersehen!”

Joseph

Kind regards to Miss

Grist
